

MY ACCOUNT

Your IPERS retirement toolkit

Whether you're new to public employment, or if you're a retiree, My Account gives you access to your individual retirement benefits information.

To access My Account, go to www.ipers.org/myaccount.

First-time users should call IPERS to receive your username and password.

MY ACCOUNT FOR CURRENT AND FORMER IPERS MEMBERS

Current and former IPERS members can use My Account at any point during and after your career in public service.

- Assign or change your beneficiary.
- View a history of all your IPERS contributions.
- View a printable copy of your Annual Benefits Statement.
- View a record of the letters and documents you've received from IPERS.
- Access several downloadable IPERS forms.
- Schedule an appointment with an IPERS retirement counselor.
- Enter various scenarios to generate a real-time benefit payment, service purchase or refund estimate.
- Update your contact information.

MY ACCOUNT FOR RETIREES

Even after you retire, My Account includes important information about your IPERS membership.

- View your benefit payment and contribution history.
- View and change your tax withholdings.
- View income verification information.
- View and change direct deposit information.
- Assign or change your beneficiary.
- View a record of the letters and documents you've received from IPERS.
- Update your contact information.

MY ACCOUNT FOR BENEFICIARIES

Beneficiaries of former IPERS members can also access My Account.

- View your benefit payment history.
- View and change direct deposit information.
- View income verification information.
- Update your contact information.
