HF969 changes contribution rates

In October 2024 IPERS announced contribution rates for FY2026. During the 2025 session, however, the legislature passed [HF969](#) that impacts rates for Protection Occupations and Sheriff/Deputy Sheriff members. Governor Reynolds signed the bill earlier this month. The new rates are effective July 1, 2025, and are shown below. FY2026 rates for Regular members are unchanged.

Benefit enhancements for Sheriff/Deputy Sheriff members raise rates beginning in FY2026

Benefit enhancements for Sheriffs/Deputy Sheriffs members became effective July 1, 2024, and require increased contributions from these members and their employers beginning in FY2026. The enhancements include a larger multiplier after 22 years of service and an annual 1.5% cost-of-living adjustment for members who retire on or after July 1, 2024, and meet eligibility requirements.
