- ✓ You have left employment with all IPERS-covered employers, including non-covered positions with covered employers.
- ✓ You are receiving benefits.
- ✓ You have followed the time restrictions for providing services for an IPERS-covered employer (described below).

For example, you receive your **FIRST BENEFIT** payment as a new retiree in January:

EXCEPTIONS

- ✓ **Working for a covered employer after age 70**
If you are older than age 70, you may receive IPERS benefits while working for an IPERS-covered employer. After you end employment with an IPERS-covered employer, contact IPERS and apply for a recomputation of benefits.
- ✓ **Iowa National Guard members**
You can be called to state duty during the bona fide retirement period without any benefit penalty.
- ✓ **Part-time elected officials**
You may start receiving benefits while in office. When you intend to retire, please notify IPERS in writing of your intent to end all covered employment and end IPERS coverage for your elected position.
